# Pet Pantry Sponsorship Letter

Dear Community Partner,

At Bay Area Veterinary Hospital, we believe that no pet should go without basic necessities because their family is facing financial hardship. To help support pets and their owners in our community, we have established a free Community Pet Pantry located outside our hospital.

The pantry provides pet food, treats, toys, and over-the-counter supplements that community members may take whenever needed. Since launching this program, we have seen firsthand how even small acts of generosity can make a meaningful difference for local families and the pets they love.

We are reaching out to local businesses to invite you to become a Community Pet Pantry Sponsor. Your support can help ensure that the pantry remains stocked and available to those who need it most.

**Ways to Support**

- Donate pet food (dog, cat, or small animal)
- Donate treats, toys, and enrichment items
- Donate over-the-counter pet supplements
- Make a one-time monetary contribution to support pantry purchases
- Host a collection drive at your business
- Become a recurring monthly sponsor

**Sponsor Recognition**

As a thank you for your support, sponsors may receive:

- Recognition on our social media platforms
- Recognition on our website
- Acknowledgment during community events and outreach initiatives

To help make donating easy, we have created a curated wishlist featuring veterinarian-recommended products that are frequently needed by local pet families. The list includes trusted brands such as Hill's, Purina, Royal Canin, Nutramax, Veterinary Recommended Solutions, Ceva, Vetoquinol, and Dechra. Supporters are welcome to donate from the list or contribute similar products from these manufacturers.

Every donation, regardless of size, directly supports pets and families in our local community. Thank you for considering a partnership with Bay Area Veterinary Hospital. Together, we can help keep pets healthy, happy, and in loving homes.

Sincerely,

**Dr. Sarah Mainardi-Wilds**
Owner, Veterinarian

# Community Pet Pantry Sponsor Commitment Form

Business Name: _____

Contact Person: _____

Title: _____

# Recommended Donation Items

To ensure that pantry recipients receive safe, high-quality products, we encourage donations from trusted veterinary-recommended brands whenever possible. All donated productions should be in unopened containers. At this time, we are unable to accept prescription medications.

While we gratefully accept many pet-related donations, the following products are especially appreciated:

*Pet Food* - Non-prescription diets from:

- Hill's
- Purina
- Royal Canin

*Joint Health & Mobility* - Glucosamine and joint supplements from:

- Nutramax Labs
- Vetoquinol
- VRS

*Digestive Health* - Probiotics and digestive support products:

- Fiber supplements
- Probiotics
- Sensitives Stomach Diets

*Over-the-Counter Flea and Tick Medications*

- Seresto Collars
- Advantix
- Advantage II

*Preventive and wellness products* from:

- Ceva
- Dechra
- Nutramax
- Vetoquinol
- Rx Vitamins

*Comfort & Enrichment*:

- Dog & cat toys
- Leashes & collars
- Food & water bowls
- Treats
- Grooming supplies

For those who would like a simple way to contribute, we have created an Amazon Wishlist containing many of our most-needed pantry items. Donations can be shipped directly to us through the list:
